4. Dear Parents,

It has been observed that many students are requesting half-day leave citing health issues such as fever, headache, or stomach-ache during school hours. This practice not only affects the teaching flow but also disturbs the classroom environment.

We kindly request that if your child is feeling unwell, please do not send them to school. Let them rest and recover at home. Going forward, half-day leave will not be granted on such grounds, except in genuine emergencies.

We appreciate your support in helping us maintain a healthy and focused learning atmosphere.

Warm regards
